Yes, that's correct. We're not going to engage directly with your client.

We'll look for the motion and you'll have our response in the timeline required by the Court. Thanks.

It's up to you if you would like to engage in settlement discussions directly with my client.

In the event that you choose to do so, please allow this email to serve as my consent for you to speak directly with any employee, officer or director of Shore Funding Solutions regarding any aspect of the case. This consent shall remain in effect unless and until revoked by me in writing.

We've settled many cases this way. I encourage you to speak with them.

You'll have my motion to bifurcate this afternoon. Mag. Wicks doesn't want us to file anything on ECF until your response and my reply are served.
